## Verse 1

D/F#                    G2                    F#m/A                    Bm  
All this time, something else has  
D/F#                    G2                    F#m/A                    Bm  
Been in the place that should just be yours

## Verse 2

D                    G2                    F#m/A                    Bm  
And I don't know how to let go  
D/F#                    G2                    F#m/A                    Bm  
Except to ask would you help me, help me  
D                    G2                    F#m/A                    Bm  
Help me to see Your love for me  
D/F#                    G2                    F#m/A                    Bm  
Ready to be all that I need  
D/F#                    G2                    F#m/A                    Bm  
Ready to be all that I need

## Verse 3

D/F#                    G2                    F#m/A                    Bm  
So here it is, here it is  
D/F#                    G2                    F#m/A                    Bm  
Here it is, come and take it, take it
